About Us

Luna Building Materials is a company

Luna Building Materials is a company that focuses on serving the needs of the Civil and Construction Industry.

They offer a range of products and services that provide value to their customers.

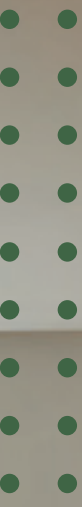

The company strives to expand their customer base by being responsive to client needs and constantly learning about the industry.

Their success is measured by their ability to maintain strong business relationships with their customers.

Luna Building Materials primarily caters to bulk supplies and regular reorder, serving medium-sized and large companies, civil contractors, sub-contracts, and end clients.

Beauty comes in all shapes and sizes

a small bathroom is not destined to compromise on aesthetics. The modular and versatile composition of i.life A lets beauty flow into every corner, adding a sense of completeness and style to even the smallest of spaces.

Silk Black Collection

Dare to be different

Oozing style and sophistication, our new silk black finish elevates a room in an instant. It can wildly transform a space in totality, or add splashes of visual contrast with just a hint of black here and there. With a wide choice of products – basins, toilets, furniture, shower trays and accessories – the Silk Black range is shrouded in elegance and energy.

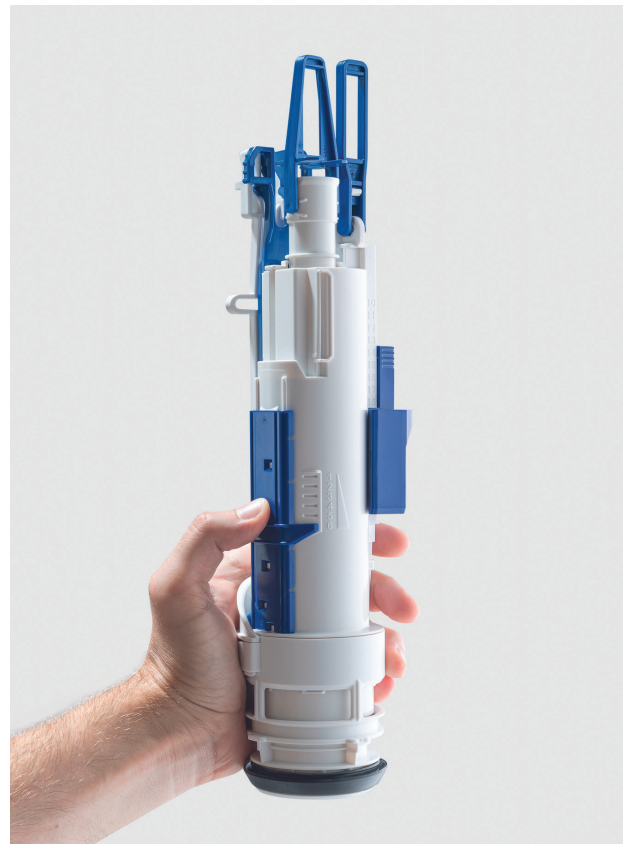

CISTERNS & MECHANISMS

THE STANDARD FOR MODERN FLUSH TECHNOLOGY

Geberit cisterns are characterised by their economical water consumption, long service life and quiet operation. The reliable fill and flush valves are used all over the world and stand out due to their universal setting options and excellent value for money.

EVERYTHING WITH A SYSTEM - GEBERIT FLUSHING SYSTEMS

Geberit provides reliable, discreet behind-the-wall solutions that ensure perfect functionality, outstanding convenience and maximum durability. The flush buttons are the only part of the concealed cistern the user can see.

GROHE

RELAXING

Unwind and relax with GROHE SmartControl's gentler options. Step into a soft and refreshing rain shower or turn the volume all the way up for a summer downpour.

SO MUCH TECHNOLOGY INTO SUCH A SMALL SPACE. A REMARKABLE ADVANCEMENT FOR OUR CUSTOMERS.

For installers, that means truly universal solutions. With one rough-in that fits all plates and that runs up to three shower functions and a range of ingenious features for ultimate efficiency of installation. For planners, that means more space and more flexibility than ever before, coupled with beautiful design.

Elegance

Porcelain tiles have the power to transform a bathroom into a luxurious oasis. Their elegant appearance, durability, design options, reflective properties, and low maintenance requirements all contribute to creating a space that feels indulgent and high-end. So, if you're looking to add a touch of luxury to your bathroom, consider incorporating porcelain tiles into your design.
